

Labview Programs

[FourierSynthesizer.zip](#) [1]

From any computer in the Physics 111A-Lab login, open the My Computer window and click on the 111 Lab shared network drive ([\\nas.ls.berkeley.edu\111lab](http://nas.ls.berkeley.edu/111lab) [2]) (U:). From there, navigate to U:\BSC Share\Fourier Synthesizer Program\Fourier Synthesizer_2014, and run Fourier_Synthesizer.exe.

[Programs.zip](#) [3]

Includes Noisy Signal Generator and Visual Noise.
